

Part 3. Transportation Authorities.

§ 105-508. Special districts.

(a) Authority. – A transportation authority may create a special district as provided in Parts 4 and 5 of this Article. A special district is subject to the provisions of this Part as well as the Part under which it was created. A special district created under this Article is a local government body corporate and politic and has the power to carry out the purposes of the Part under which it is established.

(b) Governance. – The following entity shall serve ex officio as the governing board and be responsible for budget adoption and the operation and management of the transit services provided by the district:

- (1) The board of trustees of the transportation authority, if the special district consists of multiple counties. If the special district is expanded under G.S. 105-509(d) or G.S. 105-510(d) to include more than one county, then the board of trustees of the transportation authority shall become the governing board of the district beginning on the first day of the next fiscal year after expansion of the district.
- (2) The county board of commissioners, if the special district consists of one county. The board may contract with the transportation authority as needed.

(c) Filing Requirement. – The transportation authority creating a special district shall name it and file with the Secretary of State the documents creating the district, and shall also file notice of the addition to and removal from the district of any counties, or of the abolition of the special district. (2009-527, s. 2(b).)
